ABOUT ME

I'm a bit of a sucker for ideas that have a positive impact, and since I'm not a nurse or super hero, I figured Advertising was the next best thing.

I graduated with a Design Degree but wanted to be the woman behind the ideas, not just crafting them. After finding my way into Advertising through The Pipe, I'm now working as an Art Director and have had the chance to work on some really great brands: Boots, Huawei, British Gas, Mentos, Smint, British Airways, Dove.

Still with a keen eye for design, I utilize my creative talents in and out of Advertising. I get crafty with Christmas hampers, bake a mean banana bread, and when I can escape the Thames, love a bit of paddleboarding.
